	Mari: Let's talk about relationship.
	Rica: Okay.
never, met	M : Do you think anyone who was divorced
was divorced	R : No, I had <u>ever meet</u> person who
there are	was divorced.
	M : My neighbor <u>divorced</u> recently. I was
	very surprised because they are
	love love couple.
	R : I see. Do you think that <u>are there</u> a
	friendship between a man and a woman
	M : It's very difficult. Maybe, yes.
	How about you?
on them	R. : I think that there are a friendship
my best friend, they	between a man and a woman. I have
are	boyfriends. I have reliance <u>for them</u>
	They are <u>best friend</u> . <u>It is very</u>
	important. They are important
	for me.

human is all the same

~~it's~~

Australian friend

for children
which parents are
fighting it is

~~a~~

M : Do you think it's okay to date foreigner?

R : Yes, of course. It is okay, boyfriend or girlfriend is... if boyfriend or girlfriend was Japanese or foreigner. Human is... all the human is same.

M : I think so, too. I think saying of parents it's not right always.

R : I see. What do you think about excuse me. do you have foreigner's friend?

M : Yes, I have a Australian.

R : I see. I have a friend in New Zealand. I like him very much.

M : Do you think parents should not get a divorce for their children

R : Yes. But it's not good for them to see a scene it's parents fight. Sometimes is okay. But if it continued, it is bad. They should get a divorce. Also parents have a right to be a happy.

M : Surely, I think divorce is not good for sake of the children because I think the children need mother and father. But I think the children will suffer when their parents fight all the time.

	M : So I think parents need not get a divorce depend time and occasion.
depend on	R : I see.
to keep	M : If you get a divorce, do you want keep your children?
	R : Yes, of course. How about you?
doesn't want to apart from	M : Yes, whoever doesn't lose their children. And it's painful apart from their father and mother for the children. It's very difficult problem.
	R : I think so, too. Have you ever had two boyfriend?
	M : No.
	R : Me, too.
	M : Really?
	R : Yes! Do you think friend become lovers?
	M : Yes. Nice talking with you.
	R : You, too.
